

Danny Travel - Terms and Conditions

CHECK AND DOUBLE CHECK YOUR TRAVEL DOCUMENTS

Please check your e-tickets and other travel documents immediately. Verify that names, dates, and flights are correct. Report any errors immediately, the latest within 24 hours of ticketing. Danny Travel LLC is not responsible if airline or other travel suppliers denies boarding or service due to incorrect data.

PRINT ALL OF YOUR TRAVEL DOCUMENTS

Don't rely solely on your phone or other device for directions, reservations, and other crucial information! Batteries die, and electronics get stolen.

PAYMENT

Your total trip cost may be charged in few separate transactions by vendor (airline, hotel tour operator, cruise line etc.) and Danny Travel LLC. All returned checks or declined credit card charges are subject to \$50 service fee.

TRAVEL INSURANCE

Danny Travel LLC offers trip protection plans with coverage for cancellations, trip interruption, medical and baggage. It must be purchased at time of booking or within 7 days of initial deposit (if time permits). Trip protection plan payments are nonrefundable and nontransferable.

CUSTOMER IDENTIFICATION AND PROOF OF CITIZENSHIP

The Transportation Security Administration (TSA) requires all airline passengers to provide the following Secure Flight Passenger Data (SFPD):

- * Full Name as it appears on the Passenger's Passport or Government-Issued I.D.
- * Date of Birth
- * Gender
- * Known Traveler Number (if available)

Names and birthdates provided to Danny Travel LLC for airline, car, hotel, tour, and cruise line customers must be an exact match to the photo ID that will be used during travel. The customer is responsible for all fees and expenses that may be incurred due to an incorrect name, or to the denial of travel due to an incorrect name. A name revision fee of \$50 per person will be assessed by Danny Travel LLC for name corrections or revisions, in addition to other fees assessed by airlines or other suppliers. Updated information regarding security measures and requirements for air travel are available at www.tsa.gov. It is highly recommended that customers check the foregoing website for possible changes due to security measures applicable to air travel to/from their scheduled destination(s).

CHECK TRAVEL REQUIREMENTS IN ADVANCE

It is the customer's responsibility to verify current entry requirements and obtain the necessary travel documentation based on the country of origin, destination, and any countries in which a stop is scheduled. Such requirements may include visa, roundtrip/onward ticket, Covid-19 test, vaccination certificate.

An entry visa and valid passport may be required for travel. It is the customer's responsibility to verify that a passport is valid at the time of departure, remains valid for a minimum of six months beyond the return travel date, and contains sufficient BLANK pages to attach any required visas for their travel. Please verify the most current documentation and entry requirements with the country's consulate or at www.travel.state.gov. No refund will be issued for losses incurred because of failure to obtain or provide required valid documentation.

Check with www.travel.state.gov, not only for entry requirements into foreign countries and returns to the U.S., but also for any restrictions that may prevent you from entering a foreign country. State Department travel advisories are also on this site.

DOMESTIC AIRLINE TRAVEL REAL ID REQUIREMENTS FOR U.S. CITIZENS

Beginning May 3, 2023, every air traveler 18 years of age and older must present a REAL ID-compliant driver's license, state-issued enhanced driver's license, or other acceptable form of identification, such as a valid passport or U.S. Military ID, to fly within the United States. Standard driver's licenses will no longer be accepted by the Transportation Security Administration (TSA) at airport security checkpoints effective May 3, 2023. Individuals who are unable to verify their identity will not be permitted to enter TSA checkpoints at airports and will not be permitted to fly. For more information about REAL ID, visit tsa.gov/real-id

NAME CHANGES

Name changes are not allowed after initial booking. Before ticketing, airlines may charge a fee to change name (up to 3 letters). After ticketing, it is not allowed. Tickets are nontransferable to anyone, even if new passenger has the same last name.

Danny Travel LLC will charge additional \$50 service fee per transaction for assistance with name change.

ONE-WAY TICKETS / STAY OVER 3 MONTHS

You may safely purchase one way ticket only if you are citizen or permanent resident of the destination country on the ticket. Most countries require foreign citizens to have a proof of roundtrip or onward ticket showing they will leave the country within 90 days or less. Please do not think that it's safe to fly to one country and drive to another country whose passport you hold. Airline does not see your final destination by car, bus or similar. They only go by destination on the air ticket.

Danny Travel LLC does not recommend purchase of one-way tickets or roundtrips with more than 90-day stay. If denied at check-in, 100% of the ticket value will be lost. Please refer to paragraph "Customer Identification and Proof of Citizenship" for more details.

TRAVEL WITH CASH

Technically, you may bring into or take out of the country as much money as you wish. However, if you leave the country with more than \$10,000 in cash, you will need to declare it to CBP. The penalties for non-compliance can be severe. For both domestic and international travel, your primary concern is avoiding forfeiture of your cash. Many airports have trained currency detection dogs who will sniff out large quantities of bills.

AIRPORT CHECK-IN / NO SHOW

Please **arrive** at the airport at least 3 hours before flight departure. Plan ahead for potential slow traffic to the airport due to rush hour, accidents etc.

Showing up late to the check-in counter is the same as not showing up at all. Waiting in line at the airport to check-in does not count as arriving on time. You will be considered NO SHOW, your complete reservation will be cancelled, and full ticket value forfeited.

OVERBOOKING

Airline flights may be overbooked. A person denied boarding on a flight may be entitled to a compensatory payment. The rules for denied boarding are available at all ticket counters. Danny Travel LLC does not provide such compensation nor can assist with this matter.

CHILDREN TRAVELING ALONE

Please request this service during initial reservation request.

Children under 12 years old are usually supposed to travel with an adult, 18 years and over. If travelling alone (5 years and up), unaccompanied minor service is required. Certain restrictions apply. For example, child discount is not possible, multi airline itineraries are not allowed etc. Unaccompanied minor fee will apply. For up-to-date information and fees, please visit airline's website.

Danny Travel LLC will charge additional \$35 fee per transaction to assist with such bookings.

CONSENT FOR TRAVEL WITH MINORS

If a child (under the age of 18) is traveling with only one parent or someone who is not a parent or legal guardian, have notarized paperwork ready to indicate permission or legal authority to have that child in their care.

SEAT ASSIGNMENT

Most airlines charge nonrefundable fee to assign seats in advance. Extra legroom will cost the most, front cabin less and back cabin will be the least expensive option. Passengers with infants are not automatically guaranteed bassinet (bulkhead) seats. You must request it after reservations is made or after ticketing. If seat is available, you will pay appropriate fee. If not available, please consider other seats. Danny Travel LLC cannot guarantee seat numbers. Airline may change the aircraft type for the particular flight and automatically reseat everyone. Keep in mind that if you change your travel date and ticket is exchanged, you may lose your pre reserved seats without refund or credit transfer to new flight. Basic economy tickets do not allow seat assignment prior to check-in. All remaining seats will be assigned for free during check-in process.

BAGGAGE

Your itinerary will show free checked baggage allowance for each flight on the ticket. It may be 0 (for domestic and basic economy), 1 (for most standard international tickets) or even 2 (for premium and business/first class). Fees will apply for additional checked bags, overweight or oversized items. Please check your airline's website for up-to-date baggage limits and fees for both checked and carry-on bags. Danny Travel LLC will charge additional \$20 fee per transaction for assisting with purchase of additional bags on certain airlines.

SPECIAL BAGGAGE

If you plan to carry medical equipment, sports equipment, musical instruments, or other non-standard items, please check with the airline before ticketing about possible fees or limitations. TSA requires 2-day advance notice for some special baggage items. Danny Travel LLC is not responsible if boarding is denied by the airline or TSA.

MEDICAL CONDITION

If a passenger has any medical condition, including allergies, pregnancy, heart condition etc., please check with the airline if they have any restrictions, prior to ticket purchase. Danny Travel LLC is not responsible if boarding denied due to any medical condition.

PETS

If you plan to bring your pet whether it's pet in cabin (up to 8kg in weight) or animal in hold (over 8kg in weight), airline must confirm the space. Only few spaces for pets are offered on each flight. Some aircrafts do not even have spaces for larger pets. Please make sure that your pet space is confirmed before ticket is issued. Your airline's website has information about requirements and fees for pets. Danny Travel LLC will charge \$35 fee per transaction to assist with pet bookings.

CHANGES/CANCELLATIONS

All changes or cancellation requests should be sent by email by noon Eastern time 1 day before scheduled departure date or by noon Friday if travel is on weekend. Requests by phone will not be accepted. Email address is dejan@dannytravel.com

Danny Travel LLC service fee for exchanges or refunds is \$50 per person per transaction in addition to penalty and fare difference charged by airline or other travel supplier. Airlines require that all changes and ticket reissue be finalized, at least, 1 day before departure of the flight being changed.

If reason for change or cancellation is unexpected serious medical condition, please send the hospital documents via email. Airlines will have final decision whether they will approve reduced penalty or not. Danny Travel LLC cannot guarantee the favorable outcome.

AIRLINE SCHEDULE CHANGES

Airlines reserve the right to cancel or change schedules without notice. Schedules shown are based on expected flying times as indicated by the airlines. Because weather and other factors may affect operating conditions, departures and arrivals cannot be guaranteed nor are they the responsibility of Danny Travel LLC. Please make sure you provide your mobile phone number and email address during reservation process so airline may contact you directly if schedule change occurs.

By accepting this invoice or itinerary, you hereby agree to release Danny Travel LLC from all claims arising out of any problems covered in these terms and conditions.
